

# 12% SULPHUR BLOCK

Sulphur should be freely available to livestock at all times.

This 12% Sulphur block will provide essential sulphur and micro-minerals that are essential in developing bacteria and aids in the growth and survival of fungi in the rumen which assists in the digestion of dry feed. When high urea supplements are on offer, sulphur is critical as it encourages rumen flora.

## Nutritional Analysis per Kg (as fed basis)

Total Protein Equivalents	1.27 %
Molasses	4%
Calcium	1.93 %
Phosphorus	0.03 %
Sulphur	12 %
Magnesium	0.03%
Salt NaCl	77 %
Crude Fat (EE)	0.12 %

**Added micro minerals:** zinc, manganese, copper, iodine, cobalt and selenium.

**Added vitamins and metabolite:** A, D3, E, B7 (Biotin) and 25-hydroxycholecalciferol.

**Daily Intakes per head per day:** Recommendation only. If consumption is higher, this may be an indication of mineral deficiencies.

Animal Class	Grams/hd/day
Sheep/Goats	5 - 10
Cattle	50 - 100

**Feeding Directions:** Ensure that livestock are not starving when introduced to this product. Place sufficient blocks away from waters to prevent over consumption and to encourage cattle to graze more extensively. Allow continuous access once feeding has commenced. Provide clean, fresh water at all times.

**Safety Directions:** Avoid contact with eyes and skin. Avoid breathing dust.

**First Aid:** Call Poisons Information Centre for advice 24 hrs (13 11 26) or nearest doctor at once. If contact with eyes occurs, wash out immediately with clean water. If contact with skin or hair occurs, remove contaminated clothing and flush skin with running water.

**DO NOT FEED TO HORSES AND OTHER MONOGASTRICS. THIS PRODUCT MAY BE FATAL.**

**Keep out of reach of children. For animal treatment only.**

**With holding Period: Meat = Nil, Milk = Nil. Store below 30°C (Room Temp), in a dry place. Best used within 6 months.**

\*The success of this product/supplement is dependent on other production and nutritional factors being managed correctly. Most important is the supply of energy and protein through quality feed as well as good animal husbandry.

\*The use of this product after distribution or sale is beyond the control of **Morgan Feed Supplies**. Therefore, no warranty is given nor shall be implied for its suitability for any purpose. The manufacturer and their employees/contractors accept no responsibility for any consequence arising from the above-mentioned guides & product.

**This product does not contain restricted animal material**
