

# Prime Calf Grower Pellets

Prime Calf Grower Pellets are high-performance 6mm pellets formulated for early weaning of calves and young weaners. Ideal for rumen development and calf growth.

## Features

Nutritionally balanced ration

High Fibre

Contains Bovatec®

Contains a metabolite

Contains Biotin

Contains Sodium Bicarb

Quality assured vitamin trace mineral premix

Pelleted feed

## Benefits

Meets the protein, energy mineral and vitamin requirements for young calves.

Reduces the risk of acidosis and helps to maintain a healthy rumen.

Improves feed conversion efficiency, reduces risk of feedlot bloat and aids in the prevention of coccidiosis and liver abscesses.

Has proven through scientific research and data to more than double the absorption of phosphorus and calcium.

Hoof health, reproduction and lactation.

Helps to buffer the gut and reduces the risk of acidosis.

Provides essential vitamins in stable form and trace minerals needed for top performance.

Even nutrient blend received by each animal.

## INGREDIENTS

Will contain one or more of the following ingredients: lupins, barley, wheat, cereal by-products, and cereal hay, as well as ground limestone, salt, MDCP, sodium bicarbonate, vitamin/trace mineral premix and Bovatec® (Lasalocid sodium).

## NUTRITIONAL ANALYSIS

Nutrients	Dry matter
Crude Protein (min)	19.5%
Metabolisable Energy (min)	11.5 MJ/kg
Fibre	20%
Calcium (min)	0.8 %
Mineral premix with Vitamin A D E and Biotin	2%

Store in cool dry place. Best used within 6 months.

## FEEDING GUIDE: after consultation with your nutritionist.

This high protein pellet is designed to be fed with roughage either hay, straw or pasture. Daily intake will be 1.5% - 2.2% of body weight. Feed should be fed on an ad lib basis either in yards or out on pastures with good quality clean water at all times.

**N.B:** Monitor calves for signs of acidosis at all times especially during the start-up phase. If dung becomes loose provide more good quality hay & wait until stools firm up before increasing pellet ration.

**DO NOT FEED TO HORSES OR OTHER MONOGASTRICS AS MAY BE FATAL**
