

Cool Horse Pellets

Cool Horse Pellets are a cool, balanced and nutritious, grain-free ration made from high quality Western Australian ingredients. This low-sugar pellet calms hot and flighty horses and reduces the risk of laminitis. Ideal for horses and ponies.

Features

Nutritionally balanced ration

Grain-free, low protein, low sugar

Quality assured Mineral premix

Pelleted feed

No ingredient separation

Benefits

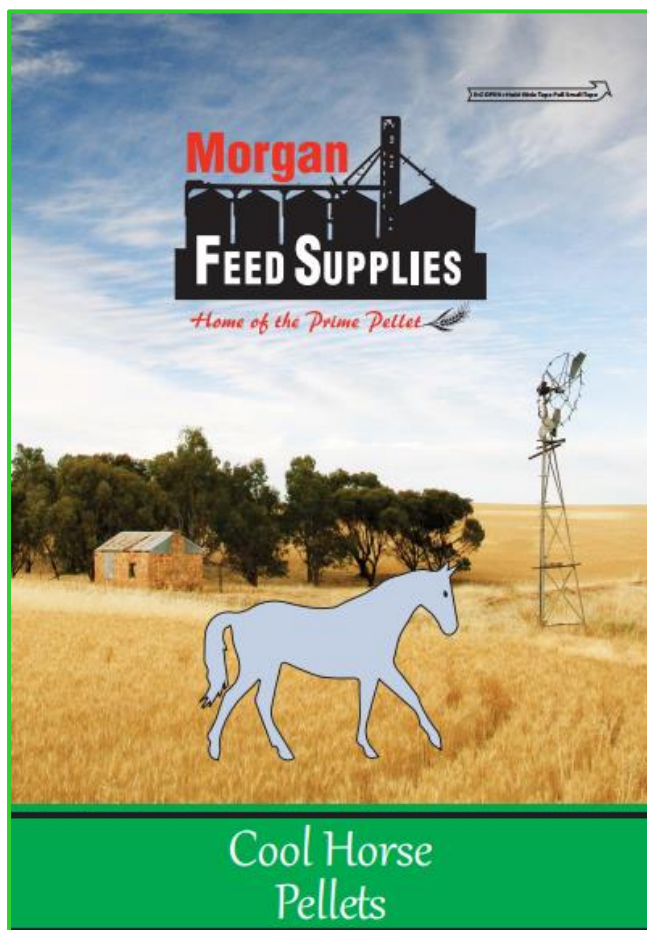

Meets the protein, energy mineral and vitamin requirements of horses, without the risks of a high protein diet.

Calms hot and flighty horses. Reduces the risk of laminitis. Ideal for laminitic horses and ponies.

Provides essential vitamins and trace minerals needed for performance.

Reduces dust and wastage and is easily stored in bags.

Even nutrient blend received in each feed.
