

MAINTAIN MINERAL BLOCK

No Urea

This product can be used as a mineral supplement for cattle and sheep all year round

Mix Analysis:

Calcium (Ca) 17.5%, Phosphorus (P) 1.5%, Magnesium (Mg) 1.06%, Potassium (K) 0.30%, Sulphur(S) 1.16%, Salt (Na) 26.50%, Molasses 3.5% and also Includes: Zinc, Copper, Manganese, Selenium, Cobalt, Iodine, Vitamin A, D3, E, B7 (Biotin) and 25-hydroxycholecalciferol. Total Protein 4.69%. The premium small ruminant micro mineral and vitamin package included contains organic and inorganic minerals.

The Vitamin and Mineral package for this product is globally recognised within Optimum Vitamin Nutrition (OVN) and is manufactured in Europe with external QA audit and full traceability.

Benefits: This product can be used as a mineral supplement for cattle and sheep all year round.

Feeding Directions for Use: (Recommendation only as higher intakes are possibly an indication that the animals are mineral deficient.)

Sheep/Goats: 5-10g/head/day **Cattle:** 50-100g/head/day. Place out sufficient blocks to prevent overcrowding and replace as soon as consumed. Ensure that cattle or sheep are not starving when introduced to this product. Allow good drainage and continuous access once feeding has commenced. Provide access to adequate feed/pasture/stubbles and clean, fresh water at all times. Place the blocks out from watering points far enough away to encourage the animals to seek feed further away.

*The success of this product/supplement is dependent on other production and nutritional factors being managed correctly. Most important is the supply of energy and protein through quality feed as well as good animal husbandry.

*The use of this product after distribution or sale is beyond the control of **Morgan Feed Supplies**. Therefore, no warranty is given nor shall be implied for its suitability for any purpose. The manufacturer and their employees/contractors accept no responsibility for any consequence arising from the above-mentioned guides & product.

DO NOT FEED TO HORSES AND OTHER MONOGASTRICS. THIS PRODUCT MAY BE FATAL. KEEP OUT OF REACH OF CHILDREN. FOR ANIMAL TREATMENT ONLY.

With holding Period: Meat = Nil, Milk = Nil. **Store below 30°C (Room Temp) in a dry place away from sunlight.** Best used within 24 months.

THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL.

Safety Directions: Avoid contact with eyes and skin. Avoid breathing dust. **First Aid:** Call Poisons Information Centre for advice 24 hrs (13 11 26) or nearest doctor at once. If contact with eyes occurs, wash out immediately with clean water. If contact with skin or hair occurs, remove contaminated clothing and flush skin with running water.
