

# Equine Gold Blocks

Suitable for Horses

Manufactured with premium ingredients including vegetarian & sustainable Omega-3 (DHAgold™) and antioxidants. DHAgold™ will benefit the horse's visual and brain development, trainability, immune and inflammation, digestion, metabolic syndrome, heart health, memory & visual performance, mobility and joint care, and skin and coat care. This product is a consistent, sustainable, nonmarine source of DHA which is free of ocean-borne contaminants, is vegetarian and all vitamins are active and stable.
