

PASTURE ASSIST BLOCK

This product can be used as a mineral supplement for stock all year round and in all weather. This block will allow animals access to vital macro, micro minerals and vitamins. As the seasons change, animals will consume only what they require.

Nutritional Analysis per Kg (as fed basis)

Total Protein	8%
Calcium (Ca)	12%
Phosphorus (P)	3.22%
Sulphur (S)	2.37%
Magnesium (Mg)	0.60%
Potassium (K)	0.27%
Molasses	5%
Salt NaCl min	15.7 %

Micro minerals: zinc (Zn), manganese (Mn), copper (Cu), iodine (I), cobalt (Co) and selenium (Se).

Vitamins: Vit-A, Vit-D, Vit-E and Biotin.

Daily Intakes per head per day: Recommendation only. If consumption is higher, this may be an indication of mineral deficiencies.

Animal Class	Grams/head/day	Per 100 head
Cattle	90 - 150	4 x blocks/7 days
Sheep	5 - 10	3 x blocks/21 days

Feeding Directions: Allow continuous access once feeding has commenced. Place out sufficient blocks to prevent overcrowding and replace as soon as consumed. Ensure that animals are not starving when introduced to this product. Provide access to adequate feed/pasture/stubbles and clean, fresh water at all times. Place the blocks out far enough from watering points to encourage the animals to seek feed further away.

Safety Directions: Avoid contact with eyes and skin. Avoid breathing dust. **First Aid:** Call Poisons Information Centre for advice 24 hrs (13 11 26) or nearest doctor at once. If contact with eyes occurs, wash out immediately with clean water. If contact with skin or hair occurs, remove contaminated clothing and flush skin with running water.

Keep out of reach of children. For animal treatment only.

With holding Period: Meat = Nil, Milk = Nil. Store below 30°C (Room Temp) in a dry place.

Best used within 2 years.

*The success of this product/supplement is dependent on other production and nutritional factors being managed correctly. Most important is the supply of energy and protein through quality feed as well as good animal husbandry.

This product does not contain restricted animal material.
