

Premium Calcium Sulphur Mineral Mix

Suitable for Sheep & Lambs, and Cattle

The Calcium, Sulphur, Vitamin and Mineral levels in the concentrate in this product are specifically designed to balance diet deficiencies found in WA feed and prevents hypercalcemia during lambing and calving and will encourage animals to utilize available stubbles and dry pasture in summer/drought.

**PCSM is also available in
“High Mag” (with 6% Magnesium) & “With Added Vit E” (with 1% Vitamin E)**

NUTRITIONAL ANALYSIS

Dietary Matter	97.0 %
